# Headlines

By James Saunders

When I first arrived at the school I was unsure what exactly week 37 was all about. I am pleased to say that I now have a good understanding of what this wonderful opportunity offers our learners and I have been inspired by the growth our learners have made; I am sure you too have been following the exploits of each cohort on our Facebook page.

For me, week 37 represents an opportunity to develop relationships, resilience, entrepreneurship and confidence; skills that will help our learners as they enter the wide world post-Honywood.

This week I have had the pleasure of personally experiencing some of what week 37 has to offer. In year 8, learners have been in school working on a range of entrepreneurial projects: I enjoyed helping out the car wash team in the midday heat; I commissioned my own Jackson Pollock painting from our resident artists; I enjoyed lunch served and prepared by our own pop-up restaurant run entirely by learners who also survived a real life inspection from an Environmental Health Officer, and our painting and decorating group did a fantastic job of refurbishing our Maths rooms.

Year 7 have been based in Danbury all week. I had the pleasure of visiting them on Tuesday to hear about the fun they had canoeing, cycling, climbing and caving; I even managed to serve a few of them dinner at the end of the day.

Year 10 have been in Portsmouth all week and, like you, I have had to use Facebook to keep abreast of what has been happening; it is just that little bit too far to pop and visit at the end of the school day.

Finally, our year 9 learners have taken part in a series of activities and inspirational visits. These include Canterbury, Essex and Cambridge universities as well as Cambridge United football club. Whilst I did not get to go on any of these trips one of their coach drivers contacted me to tell me how impressed he was with them - 'real assets to the school'.

It has been all about character building this week. I am looking forward to seeing the personal growth in all our learners as we enter our final three weeks of the term.

## Thanks

To: **Ethan Briggs 7RFI, Matthew Dyer 7JLa, Jessica Gilbert 7AWe** and **Sienna Gilbert 7JLa** who supported interviews this week by taking part in group discussions.

## Congratulations

To **Maya Robson 9KCo** and **Hannah Byrne 9KBr** who took part in this week's CV competition. They are Honywood's two 'Most Employable' C9's.

To: **Ellie Tames 9JWi** who has just won a Gold for England at the Dance World Cup in Spain. Well done Ellie on this fantastic achievement.

## Parents' Time

Members of the Leadership Team will be available to see parents without appointment:

Monday 9.00am—9.45am

Tuesday 7.15am—8.00am

Wednesday 3.00pm—3.45pm

Thursday 5.00pm—6.00pm

Friday 7.15am—8.00am

# Feel Good Fair

Sunday 23rd June 2018 the Feel Good Fair Family Funday came to the Main Hall. Despite many other events taking place locally, the Fair was really busy and I would like to thank all of you who took the time out to attend. We had attractions for the children to enjoy as well as a number of incredible local businesses showcasing family themed ideas.

If you haven't been yet, keep an eye out for our future dates. Everyone who comes speaks so fondly of the event. It's a great day out with plenty of food and entertainment to keep everyone happy. Schools desperately need the support of families to help with fundraising events such as this and in addition, the children also benefit when families are involved in school life. Ultimately, it's the children who gain so much from us all coming together as a community.

If you would like to get involved or simply learn more about events you can attend, please email Miss Lockett at [spirit@honywoodschool.com](mailto:spirit@honywoodschool.com)

## iPad Return

Cohort 7 & 8 - 12th July  
Cohort 9 & 10 - 13th July

Please ensure your iPad is  
backed up as per the  
instructions on the iPad App.

# Sports Day

Sports Day was held on 22<sup>nd</sup> June 2018. Congratulations to all the Learners who took part in a fantastic afternoon of finals. During the morning a large number of learners came out onto the field to compete in the field events and to earn points for their Learning Groups. As is tradition the whole school made their way out to the field after lunch to watch the finals of the track events. The results have been finalised and we have seen some very competitive Cohorts with extremely close results, these results will be given out during your designated assembly time. The PE department and all of the staff would like to congratulate all of the Learners who were involved in Sports Day

## Cohort 7

Event	Boys Winners	Girls Winners
High Jump	Harry Alderton	Miranda Nicholls

## Design Technology Technician

(39 weeks, up to 25 hours per week £8,671 - £9,209 p.a.)

We require an exceptional person who can join us to work closely with learners and teachers within our Technology Team preparing materials, maintaining equipment and supporting young people in their learning.

We offer:

- A high achieving Academy producing excellent outcomes and well-rounded young adults.
- A challenging learning environment where you will be asked to expand your thinking about the education we offer our young people.
- An approach based on shared responsibility and teamwork, which values every member of our school community.
- Excellent in-house induction and training for all our new employees.

You will need:

- A wide range of appropriate practical skills.
- Excellent interpersonal skills, remaining calm when under pressure.
- The ability to work to tight deadlines, working on a number of priorities simultaneously.
- Flexibility and initiative.
- A willingness to learn every day as you consistently strive to increase your impact on our youngsters' learning.

For an information pack, or to organise a pre-application visit, contact Mrs S. Pattison (recruitment@honywoodschool.com), Honywood Community Science School, Westfield Drive Coggeshall, Essex, CO6 1PZ (Telephone: 01376 564708).

Closing date for applications is 6<sup>th</sup> July 2018

## Data and Administration Assistant

Annual Salary £13,131 - £15,325 actual salary

Term time + non pupil days + two weeks in the holidays (to include one week covering the August exam results period) (41 weeks)  
30 hours per week

We are seeking to appoint a highly organised and motivated individual to join our administration team as a Data and Administration Assistant. Your primary responsibilities will be to undertake all administration relating to learner progress reviews and reports and to assist the Assistant Headteacher with the production of statistical returns and reports. In addition to this the successful candidate will provide administrative support to the Office Managers.

We offer:

- A high achieving Academy producing excellent outcomes and well-rounded youngsters.
- A challenging learning environment where you will be asked to expand your thinking about the education we offer our young people.
- An approach based on shared responsibility and teamwork, which values every member of our school community.
- Excellent in-house induction and training for all our new employees.

You will need:

- Knowledge of data collection and statistical analysis methodologies
- A wide range of appropriate practical skills.
- Excellent interpersonal skills, remaining calm when under pressure.
- The ability to work to tight deadlines, working on a number of priorities simultaneously.
- Flexibility and initiative.
- A willingness to learn every day as you consistently strive to increase your impact on our youngsters' learning.

Honywood School is committed to safeguarding children and safer recruitment processes are always robustly followed. The successful candidate's appointment will be subject to safer recruitment checks and satisfactory completion of an enhanced DBS check.

For an information pack, or to organise a pre-application visit, contact Mrs S. Pattison (recruitment@honywoodschool.com), Honywood Community Science School, Westfield Drive Coggeshall, Essex, CO6 1PZ (Telephone: 01376 564708)

Closing date for applications is Wednesday 11<sup>th</sup> July 2018

## Daily update

### Sports day in Honywood School:

In 2018 Honywood school sports was the first one for our new head teacher Mr Saunders. And it was a really good first one for him with lots of good

competition. We don't know the winners yet but it looks like KGU are going to take the title from DCA for the year eight champions this year. But another form that contests that are EPE for the title as well.

The event that stood out this year was the relay for all years because it was very competitive and really close.

## Daily updates

### Football: World cup

This year is the 19<sup>th</sup> world cup and the world cup is the most famous international tournament in the world and most sports fans watch it all over the world. The team who have won the world cup most are Brazil and every time they qualify for a world cup they are expected to do well and most times to win the whole thing.

### Premier league:

The premier league is the most well-known league and is also the most competitive league in the world as well because any team can win against any team. Also it is unpredictable and as I said any team can win.

## My Learning Choices

### Enterprise & Solutions

MLCs this week are available to C7 learners that would like any help structuring or conducting their investigation into internationally successful entrepreneurs. Sessions will also be available for C8s that would like to help improving their Business Board Games, so that they can build in as much business knowledge in to their designs as possible.

### Business Studies

MLCs this week will be focused on helping C9s revise the C9 Assessment Week. This could include going over aspects of the 'Marketing', 'Influences on a Business' and/or 'Human Resources' units, or developing the structure of answers to 4, 6 and 9 mark questions. Sessions will also be available for c10s who would like help preparing for their final practice paper of the year, which they'll be sitting in week 40.

### English

Please spend some time reviewing your most recent learning points in English. What is it you need to do to improve? Do you know how to move forward with your learning? We have many members of the English team available for you to book an MLC appointment with. Your 1:1 or small group MLC session could be focused on improving an aspect of your writing or tackling a particular question on the GCSE language papers. It might be that you're finding poetry tricky or the study of a particular text is causing you concern. Whatever it is, don't hesitate to book an MLC today.

### MFL

"Open to all cohorts. Do you need any further support with either French, German or Spanish? Are there any particularly areas of grammar which you would like any further help with or is there some support you would like with pronunciation? If so, book an MLC today!"

## Important Dates
